DIARY NOTES

DD/S

W. J. H.

13 June 1963

1. I talked to Jim Garrison about our long-range space requirements short of construction. He thought there was at least a possibility that we might lease a commercial building big enough to take care of all our headquarters people not housed at Langley. I told Jim that this should be our first objective. If we cannot do this, then we should attempt to find good office space in permanent buildings for all headquarters employees now in temporary buildings, including the [REDACTED]
